Sigrid -

I had not responded regarding the dates yet, in part, because you did not address the two issues I raised by email of February 12 (below). In particular, a protective order needs to be entered prior to Ms. Maxwell's deposition to address the same concerns you raised prior to your client's deposition in the Edwards/Cassell matter. I have taken the liberty of drafting a proposed protective order which I attach here. Please provide any comments you propose and we can get it filed and ruled upon by the Court.

Further, you did not provide your acknowledgement pursuant to Rule 30(d)(1) that this deposition, which likely will occur before Ms. Maxwell has filed an answer or counterclaims, will be her only deposition in this matter. If this is not your agreement, then we will need to seek a ruling from the Court.

Assuming that the attached protective order is entered in a timely fashion and your agreement that you will not be seeking a second deposition after Ms. Maxwell files an answer and counterclaim, then I can confirm the dates which will work for me and for her. Right now, of the dates you propose it appears that the March 25th date is best.

Regarding the depositions of Ms. Sjoberg and Chambers, I propose that we do those on consecutive days. Unfortunately, I am not available on March 23d as I have a sentencing in USDC Colorado that morning. I could propose March 24-25 or March 17-18. Also, given that these depositions are "more than 100 miles from the courthouse," I request your agreement to pay for my expenses for attendance at those depositions in Florida pursuant to Local R. 30.1.

Thank you,
Laura
