I'm just going to move to 16 16 17 the deposition was set in nine cases today, I 17 strike for purposes of the trial. I understand believe. I was unable to ask any questions today, that everybody is trying to make a record for any 18 18 19 and I think the record is going to be clear as to 19 future motion, but I move to strike everybody's comments for purpose -- purposes of the trial in 20 the reason why that happened, both the video and 20 the transcript, in a case like this where the 21 21 this matter. We're here right now, Mr. Edwards, for you to 22 options are answer questions, or take the Fifth, 22 and the election for the most part was take the 23 begin and finish your deposition. We're here right 23 now for you, Mrs. Ezell, to begin and finish your 24 Fifth, it should be a short abbreviated 24 deposition. Instead the types of answers that we 25 deposition of Mr. Epstein. And Mr. Horowitz, this 25 Page 329 Page 327 case has been -- this deposition has been set for 1 received were obstructionist in nature. I think 1 2 that that's -- that's going to be something that 2 some time, and, you know, whether or not you have a 3 3 flight plan, or whether or not it was prearranged, the Court is going to rule upon, but that's going 4 to be our position. And that after every -- nearly 4 I do not know. But we are here right now to finish 5 your deposition for your clients. So I see that 5 every question, there was some injection into the 6 record by Mr. Epstein about Jeffrey Herman and some 6 everybody is standing, with the exception of 7 Ms. Ezell. I'm sitting, and I'm ready to finish 7 discipline that he had with the Florida Bar, as 8 well as Scott Rothstein and his being in jail, as 8 this deposition and let you guys commence. MS. EZELL: We've been going for eight hours 9 well as something to do with other partners going 9 and fifteen minutes. The facility we're in is all 10 to jail, despite the fact that I haven't asked a 10 single question, nor have any questions been asked 11 closed down. The lights are off everywhere. We 11 can't get in and out of doors. I think to suggest about my clients. 12 12 we proceed for what would be another eight hours at 13 In addition to the mockery that was made of 13 14 this deposition by Mr. Epstein and of the overall 14 this point is just not workable. discovery process today because of the way he chose 15 MR. EDWARDS: And I probably have five hours of 15 to answer questions and that his counsel did not questions, and that's assuming that the answers 16 16 that we receive were less elongated than the ones instruct him to do otherwise, and instead seemed to 17 17 encourage those types of responses, we're unable to 18 we received already. So given the circumstances 18 19 finish today. It's going to take another day. 19 and the nature of the responses and how long it 20 And one other thing that I think is going to be 20 takes to respond, we would not finish until next 21 Thursday at this pace so I just don't think it 21 clear, but I want to put on the record, is that we 22 would be fruitful to continue. 22 probably took fifteen -- no exaggeration -- breaks, each one of them initiated by Mr. Epstein, which 23 MR. PIKE: I understand your statement. 23 24 just also served only to obstruct the deposition 24 MR. EDWARDS: Right. 25 and cause us not to finish today. So I just want 25 MR. PIKE: The facility here we have arranged
