Re: *Giuffre v. Maxwell*,  
Case No.: 15-cv-07433-RWS

Dear Judge Sweet:

On March 15, 2017, this Court granted Defendant's request for an extension of time until March 23, 2017, to file (1) Defendant's Response to Plaintiff's Motion to Compel Data from Defendant's Undisclosed E-mail Account and for an Adverse Inference Instruction and (2) Defendant's Response to Plaintiff's Motion in Limine to Preclude Defendant from Calling Plaintiff's Attorneys as Witnesses at Trial.

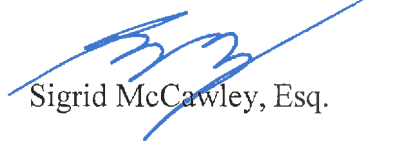

Accordingly, Plaintiff requests that she be granted a similar extension of time to file her corresponding reply briefs on April 3, 2017. Plaintiff also requests that the hearing on Plaintiff's Motion to Compel Data from Defendant's Undisclosed E-mail Account and for an Adverse Inference Instruction (DE 659) and (2) Defendant's Response to Plaintiff's Motion in Limine to Preclude Defendant from Calling Plaintiff's Attorneys as Witnesses at Trial (DE 685) be moved from March 30, 2017 to the hearing on April 5, 2017 that was previously set by the Court on other matters. Defendant does not object to the requested extension or the corresponding revision to the hearing date.

Plaintiff also requests a one (1) business day extension of time to file her Reply in Support of her Omnibus Motion in Limine to be filed on Monday, March 27, 2017. Defendant does not oppose Plaintiff's requested one (1) business day extension.
